PROJECT UPDATE

The project will construct concrete streets to the proposed County Aire 2 development. The contractor is Steve Harris Construction, Inc. out of Homer, Nebraska.

The Contractor has mobilized equipment and is schedule to begin paving the streets on Monday, July 27th, Tuesday, July 28 and Wednesday, July 29th to complete the interior streets.

The construction is anticipated to last 2 weeks, weather permitting.

Streets will be constructed by slip-form paving equipment.

We appreciate your patience during construction of the project.
